Alliqua BioMedical, Inc. to Attend Craig-Hallum Institutional Investor Conference

YARDLEY, Pa., May 16, 2016 (GLOBE NEWSWIRE) -- Alliqua BioMedical, Inc. (NASDAQ:ALQA) ("Alliqua" or "the Company"), a provider of advanced wound care products, today announced that David Johnson, Chief Executive Officer, and Brian Posner, Chief Financial Officer, will attend the 13th Annual Craig-Hallum Institutional Investor Conference on Wednesday, June 1, 2016 at the Depot Renaissance Minneapolis Hotel in Minneapolis, MN.

Management will host a day of one-on-one meetings with investors during the conference. There are no formal presentations and the event will not be webcast. Attendees can contact their Craig-Hallum representative to arrange a meeting with Alliqua.

About Alliqua BioMedical, Inc.

Alliqua is a provider of advanced wound care solutions, committed to restoring tissue and rebuilding lives. Through its sales and distribution network, together with its proprietary products, Alliqua provides a suite of technological solutions to enhance the wound care practitioner's ability to deal with the challenges of healing both chronic and acute wounds. Alliqua currently markets its line of dressings for wound care under the SilverSeal® and Hydress® brands, as well as the sorbion sachet S® and sorbion sana® wound care products, and its TheraBond 3D® advanced dressing which incorporates the TheraBond 3D® Antimicrobial Barrier Systems technology. The Company's Mist Therapy System® uses painless, noncontact low-frequency ultrasound to stimulate cells below the wound bed to promote the healing process. Alliqua also markets the human biologic wound care product Biovance®.

In addition, Alliqua can provide a custom manufacturing solution to partners in the medical device and cosmetics industry, utilizing its hydrogel technology. Alliqua's electron beam production process, located at its 16,500 square foot Good Manufacturing Practice (GMP) manufacturing facility, allows Alliqua to custom manufacture a wide variety of hydrogels. Alliqua's hydrogels can be customized for various transdermal applications to address market opportunities in the treatment of wounds as well as the delivery of numerous drugs or other agents for pharmaceutical and cosmetic industries. The Company has locations in Yardley, PA, Langhorne, PA and Eden Prairie, MN.
